NATURAL FAIRTRADE

Decaf 500g

Decaffeinated coffee is a great option for all coffee lovers who cannot consume caffeine, traditionally roasted. It is a balanced blend of coffees that delivers the flavour and aroma of the finest coffee.

NATURAL

Ice coffee

Our Cafés Civit latte cups are made with the same espresso coffee you would enjoy at a café. Using espresso ensures that the organoleptic characteristics remain intact, preserving all its flavour and aroma

Cappuccino 200ml

Italian harmony in a ready-to-drink experience. Bold espresso balanced with creamy milk and a smooth finish that recalls the classic cappuccino from your favorite café. Refreshing, well-rounded, and light in texture, it's the perfect choice for those who enjoy a balanced and satisfying flavor in every sip.

Macchiato 200ml

The most delicate and smooth option in the range. Creamy milk gently "stained" with espresso, offering a lighter, softer, and more approachable coffee profile. Perfect for those who prefer a sweeter, silkier drink that turns every break into a relaxed moment of indulgence.

Espresso 200ml

The intensity of espresso in a convenient ready-to-drink format. A perfect blend of rich, full-bodied coffee with a touch of smooth milk, enhancing its character without losing creaminess. Ideal for those who need an instant boost and crave the authentic taste of coffee, now chilled and ready to enjoy anytime, anywhere.
