# A NEW EXPERIENCE

Flavors that  
awaken your senses

Each of our blends is crafted with the highest-quality beans, sourced from carefully selected farms around the world, so you can enjoy their full flavor and intensity.

Our capsules are made with 80% recycled material, are 100% compatible with Nespresso®\* machines, and feature a mixed system that ensures their high quality and performance.

**x10 CAPSULES**

Enjoy all their  
flavor and intensity.

**100% COMPATIBLE**

With Nespresso®  
coffee machines

**PERFECT ROAST**

Finely ground,  
top-quality coffee beans.

**NATURAL COFFEE**

No preservatives,  
no added sugars or flavors.

# OUR ROAST

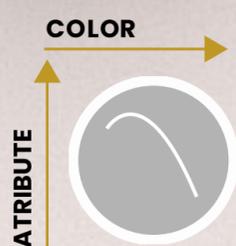

Each of the beans we select for our blends is naturally roasted to extract the best notes and intensity from every one of them.

That's why we work with sustainable origins and ensure full traceability of the coffee from harvest on the farms to the final product, so you can enjoy the best 100% natural coffee.

L I G H T

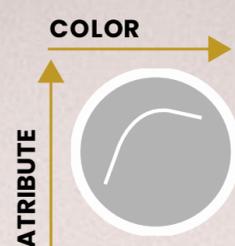

M E D I U M

D A R K

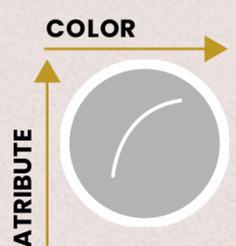

## ACIDITY

Acidity develops and then decreases as the coffee is roasted darker.

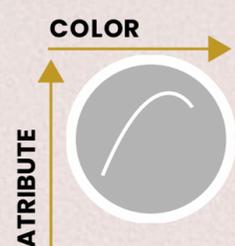

## AROMA

Aroma reaches its peak during the roasting process and then decreases.

## BODY

The body of the cup increases as the bean is roasted darker.

## FLAVOR

The flavor or character of the coffee reaches a maximum and then diminishes as the coffee is roasted darker.
